SCHOOL SONG

The lane is deep, the bank is steep,
The tangled hedge is high
And clinging, twisting up we creep,
And climb towards the sky.
O Woodbine mounting high,
O Woodbine climbing to the sky.
The people in the lane below,
Look up and see us there,
Where we our friendly trumpets blow,
Whose sweetness fills the air.
O Woodbine waving there,
O Woodbine scenting all the air.

By Cicely Mary Baker
(With slight adaptation)

LOCATION

Woodbine Floret Public School is situated on the Anoopshahr Road, near the Aligarh Radio Tower. The school is Affiliated to the Central Board of Secondary Education (CBSE), Delhi upto Senior Secondary (+2) Level in Science (PCM, PCB) and Commerce Streams. The School has a planned building with an administrative block and two wings for classes. It has facilities like Billiards/Pool Room, Table Tennis Room, a Skating Rink, Basketball, Badminton Court and an open field for outdoor games apart from Generator Facility, Voltage Stabilizer for mains, and Water Coolers for Clean drinking water. The School also have a Library, Reading Room, Information Technology Section, Maths and Science Laboratories. It has a 2 acre campus.

SCHOOL ROUTINE

ASSEMBLY is held in the open air where children learn to pray and take their pledge.

EXERCISE & GAMES Every child is expected to participate in games, exercise and gymnastics, Exemptions are allowed only on providing medical certificates.

CLASS ROOM ACTIVITIES vary from class to class dealing with oral work, written work, painting, singing, dancing, hand work & stories. Higher class students are engaged in projects and other activities.

OTHER ACTIVITIES Within the school premises we have magic show and puppet show from time to time. Other activities in which the children are encouraged to participate are Annual Concert, Drill Display, Floral Arrangement, Craft Competition, Elocution Contest, Painting Competition etc.

HEALTH

Regular height and weight record is maintained for each child. Periodical physical examinations (atleast once year) are conducted in the school by child specialist Dr. Hameeda Tariq, DCH, MD (Paediatrics). If a child is not upto the mark in physical fitness or cleanliness e.g. having lice in hair or skin rashes etc., he or she is advised to stay at home till he or she is completely fit. We believe "Health is Wealth" and "Cleanliness is next to Godliness".

TEACHERS

Teachers are selected with special care. They have the knack to deal with "psychology" of each child with care and precision. They are qualified and specially trained in the sphere. Others are just born teachers.

METHOD OF EDUCATION

Our method of teaching is in conformity with the mental age of the children and thus varies from class to class.

The system of education is far from being rigid and a relaxed atmosphere is maintained throughout. C.B.S.E. norms are followed.

PARENTS

Once the child is admitted in the school, he is a member of Woodbine family, which is made up of the staff, students and parents. The best in the child can be brought out only with mutual co-operation of teachers and parents. Therefore, we have a regular Parents-Teachers-Meeting (P.T.M.) as when required. The date is informed through notices. This is to enable the parents and teachers to discuss the progress and well being of the child. Healthy suggestions are always welcome for the progress of the School.

OUR AIM

The aim of Woodbine Floret Public School is to provide quality education in every sphere.

We follow English as the medium of instruction and expose the children to a variety of physical and mental activities, to gain in all round development.

We try to develop in children a social consciousness so that they grow up as "worthy citizens of India".

BUILDING

The buildings are well planned, airy, spacious and comfortable. The school has well ventilated, big, attractive Class Rooms, Library, Labs with ample space for expansion. Surrounding the main building is an open area with tall shady trees and flowering plants. The quiet and serene atmosphere is congenial for learning and play. It enables the children to be close to nature while they pursue their learning.

These buildings have a lot of open space for children to participate in organized games. Gardens around the buildings lend a natural peaceful atmosphere to the school.
